Students awarded Kin Canada bursaries

CAMBRIDGE, Ont., JUNE 30, 2010 – Kinsmen and Kinette members from across Canada are pleased to award 34 deserving students with a \$1,000 bursary from Kin Canada Bursaries, a program of the Hal Rogers Endowment Fund.

Established in memory of Kin Canada's founder, Hal Rogers, the bursaries are granted to assist students with the pursuit of post-secondary education. Annually, the bursaries are supported by the fundraising efforts of Kinsmen, Kinette and Kin clubs across the country.

"The Hal Rogers Endowment Fund is proud to be celebrating our 15th anniversary this year and happy to assist another 34 students. Almost \$700,000 in bursaries have been awarded in the past 15 years—another example of Kin Canada serving the community's greatest need, this time the student's greatest need," said Tracey Wilson, chair of the HREF Board of Trustees. "The majority of our funding comes from clubs—something that Kinsmen and Kinettes can be very proud of."

This year, more than 700 applications to the bursary program were received from students across the country. Successful applicants are chosen based on their community and school involvement, knowledge of Kin Canada, and financial need.

Kin Canada is the national association of Kinsmen, Kinette, and Kin clubs. In hundreds of communities across Canada, thousands of dedicated volunteers make up this dynamic, all-Canadian service organization. Through their promotion of service, fellowship, positive values and national pride, Kinsmen and Kinettes work tirelessly to make their communities and their country a better place to live.
